

# LA1 Expressway Toll Rates

## GEAUXPASS is HERE!

### What is GEAUXPASS and how does it work?

GeauxPass is a transponder (toll tag) that is electronically linked to a prepaid account. The GeauxPass and associated account allows you to use Louisiana toll roads like the LA 1 Expressway and Crescent City Connection without having to stop and pay for the toll. Toll fees are deducted electronically from the prepaid GeauxPass account.

### How much is a GEAUXPASS?

Costs will vary based on the type of GeauxPass tag you choose for your vehicle.

#### Two GeauxPass options are available:

1. A non-removable, sticker GeauxPass is \$12.50.
2. A removable plastic hard case GeauxPass is \$32.00.

In addition to the tag fee, a toll pre-payment is required to open your GeauxPass account. Your GeauxPass account is the fund that tolls are deducted from each time you use a GeauxPass toll system. The minimum for this pre-payment is \$20 and may be made by cash, check, debit or credit card (MasterCard or Visa).
